

Advisor Agenda – 9th and 10th Grades

Monday, April 27th

Today is an Activity Schedule and Advisor is the Activity.

Once you collect your advisees please escort them to the Auditorium for a Leadership presentation to kick off Diversity Week. All 9th and 10th graders will be watching a video. After the video, they will be invited to go to the cafeteria to have FREE FRIED RICE provided by the Asian Club

Advisor Agenda – 11th Grade

Monday, April 27th

Today is an Activity Schedule and Advisor is the Activity.

Today you will be proctoring the Oregon Healthy Teens Survey with your 11th grade group. The process is scripted and all materials were either delivered to you personally or placed in your mailboxes on Friday. They are contained in a large manila envelope. *(I have printed this e-mail and attached it to the envelope as well).*

Open the envelope and inside you will find five sheets of paper (green on top) paper-clipped together.

- The green sheet (Form F) is a confidentiality form for you to sign as the proctor.
- Form G is just an FAQ sheet if students ask you questions.
- Form H is a list of instructions for you – please pay particular attention to #3. Only one student has sent in an opt out form ,but students may choose to not take the survey even up to the point of starting it. Students who are not comfortable doing the survey must remain in the room and find something else to occupy the 40 minutes they are with you in Advisor.
- Form I is the script for you to read to students.

Advisor Agenda – 12th Grade

Monday, April 27th

Today is an Activity Schedule and Advisor is the Activity.

Once you have collected your seniors, please walk them to the cafeteria for a senior class meeting. After the meeting all seniors will be rewarded with FREE FRIED RICE as part of the celebration for Diversity Week (Monday is Asia Day).

Seniors will be released from the cafeteria early (approximately 11:15).
