Advisor Agenda – 11th and 12th Grades

Thursday, December 3rd

Today the Leadership class is presenting in the Auditorium about the upcoming Blood Drive to 11th and 12th graders. Please send your students to the Auditorium at the beginning of Advisor. Either put a note on your door or meet your students then shoo them away – but please ask them to move quickly.

This event will be too chaotic to take attendance...but don't let the students know that ☺...Please be present in the Auditorium to help with crowd control. There is no seating chart in effect.

Julie, Cherie, and Sheila will be in charge at the Assembly.
