

## CVPO Meeting/Principal Coffee

Feb. 7, 2007

**Community Vision for Education:** Parents met with Assistant Principal Mike Fagan and School Board member Donna Keim to go through a visioning process aimed at creating recommendations and a district model for student success that will guide the future actions of the Corvallis School District. Specifically, parents were asked to answer the following questions:

1. As a community, what knowledge and skills do we believe our students need to possess to be successful?
2. What learning experiences and opportunities should we provide for our students?
3. What kind of culture are we committed to fostering in our district?

If you missed the session but want to take part in the process, you can participate in an on-line survey at [www.360eval.com/login](http://www.360eval.com/login) and enter the login code "CorvallisVision" (all one word).

A public forum is scheduled on **Tuesday, March 13 at 6:00-9:00 p.m. at Corvallis High School**. The forum will share the initial findings of the community's vision and provide an opportunity to provide feedback on the emerging themes.

**The Oregon Diploma:** The new graduation requirements were not discussed because the feedback deadline has passed, however you can find a detailed description of the changes at:
