

Have you heard about Scrip?

It is a simple program – you buy gift cards for your favorite stores (there are hundreds to choose from) and for every card you buy Mt. View PTA receives a donation from the retailer of 2 – 40 %. You pay nothing extra.

What kind of cards are there?

You can buy cards to purchase items like gas, groceries, electronics or office supplies, books, music, home and garden supplies – just to name a few. Take a peek at the order form to see a list of stores.

What are the funds used for?

Mt. View PTA uses the funds for classroom support, enrichment opportunities, family activity nights, and much more.

How much does this really raise for our school?

From the orders we received in December, over \$340 was donated to our school. So, please, keep those orders coming!

How do I purchase Scrip?

Choice #1: For the best selection of stores and to assure you get exactly what you want, order in advance...

- Fill out the attached order form.
- Turn in with a check or money order to the locked Scrip box located across the hall from the front office by the order due date. We will be ordering every two weeks until school is out. A schedule of order due dates is listed on the order form.
- Your order will be ready to pick-up one week later.
- For future orders, blank forms will be available on the Mt. View PTA website and on the PTA Bulletin Board near the front office.

NEXT ORDER DUE DATE: Friday, January 29th at 2:30 pm.

Choice #2: Not the ordering type? Stop by any Monday and buy one or more of our in stock gift cards.
