WHAT IS SCRIP?

Scrip is a program run by the Mountain View PTA to help raise funds for school activities. Scrip is the same gift cards, prepaid cards and gift certificates you use at all your favorite stores--only you purchase them through the Mountain View PTA.

For every card or certificate you buy, **Mountain View Elementary gets a percentage from the store.** So you're spending money at normal places like Richey's, Safeway, Fred Meyer, Bi-Mart, Home Depot, Burger King, Blockbuster and many, many other businesses...**but the Mountain View PTA gets a donation from that retailer.**

The best thing about Scrip is it doesn't cost you anything extra. You don't have to buy candy bars, gift wrap or cookie dough. There is no selling, no boxes of goods, no catalogs to carry around. All you have to do is shop at the same stores you already shop at--just buy your "spending money" in advance with us. **And, most importantly, retailers donate from 2-50% of your purchases to our school!**
