Unfinished Business: None

New Business:

1. **T-shirts:** Heidi Jones took over the t-shirt orders and is having issues with the current business being used. Also, since this is her last year at Mountain View, she would like to have someone else take over. There may be a future Mountain View parent who does t-shirts. Heidi will discuss more with Rosemary. Cindy will contact Concepts 2 Market to see what is going on with current orders.
2. **Playground Equipment:** Shayna Hicks discussed the need for more playground equipment, such as balls, jump ropes etc. for the kids to use during recess. After reviewing how much money will be left in the PTA account after paying bills (\$7,800), a motion was made by Heidi, seconded by Shayna to allocate \$100 per classroom for playground equipment, for a total of \$1,700. Shayna will contact teachers to find out what equipment is needed for each classroom and PTA will purchase the equipment and distribute. PTA will also provide a container for the equipment for each classroom.
