

119900 **Art through the Ages** 9–12 Interactive

This middle-school art history course is designed to introduce students to the world of art, from the very first artists that walked the earth to the modern masters. Students will learn about early cave art, Egyptian art, the Renaissance, Leonardo da Vinci, Michelangelo, Monet, Cezanne, Van Gogh, Picasso, Matisse, Kandinsky, and Pollock. Lots of art projects give students the opportunity to experiment with the styles of the masters. Successful completion is based on assignments, lesson activities, and quizzes.
