

Monday, October 6<sup>th</sup>

Advisor Agenda – 9<sup>th</sup> Grade

1. Read Daily Bulletin
2. Plagiarism Activity (attached)  
Please facilitate the plagiarism activity attached to this e-mail.

Advisor Agenda – 10<sup>th</sup> Grade

1. Read Daily Bulletin
2. OUS Visitation  
Representatives from the seven OUS schools (OSU, U of O, WOU, SOU, EOU, Oregon Institute of Technology, PSU) plus Linn-Benton Community College will make their annual visit to CV during D block on Monday, October 20. Students can sign-up in Advisor today and in the Career Center. Students must attend the entire block (general session, plus two break-out sessions) otherwise they will not be excused.
3. IMPORTANT PSAT INFORMATION  
Please read the announcement shown below to your sophomore advisees on Monday, October 6 and hand out the “Official Student Guide to the PSAT/NMSQT” to each sophomore. Some sophomores have already received a copy of the bulletin. Please return any leftover bulletins to the Career Center. If you don’t have your guides yet...they will arrive in your room prior to Monday’s Advisor.

All CVHS sophomores will take the PSAT at CVHS on Wednesday, October 15, unless they have been excused from testing by a teacher or counselor. This is a requirement of the State of Oregon. Sophomores are to report to school at the regular time that day, 7:45 a.m. and will be assigned to test in a specific classroom on campus. Classroom assignments will be given out in Advisor on Monday 10/13.

The exam should be finished by 11:30. The entire school will be following a revised schedule that day, so test-takers will not miss their regular classes.

**On exam day students should bring:**

- \*Two #2 pencils
- \*Your student ID card
- \*A four function scientific or graphing calculator

**Be Sure to:**

- \*Read the Official Student Guide to the PSAT
- \*Get a good night’s sleep
- \*Eat a good breakfast
- \*Water and snack for break

4. **Official Student Guide**

Take time for students to peruse the student guide and collect any questions they may have regarding the PSAT. We will put together a FAQ for Advisor on 10-13.

Advisor Agenda – 11<sup>th</sup> Grade

5. Read Daily Bulletin

6. **OUS Visitation**

Representatives from the seven OUS schools (OSU, U of O, WOU, SOU, EOU, Oregon Institute of Technology, PSU) plus Linn-Benton Community College will make their annual visit to CV during **D block on Monday, October 20**. Students can sign-up in Advisor today and in the Career Center. Students must attend the entire block (general session, plus two break-out sessions) otherwise they will not be excused.

7. **Harassment Discussion**

This school year has started with a rash of harassment complaints to the administration. Mrs. Harder, Ms. Linhares, and Mrs. Stroud have all heard from students who feel they have suffered harassment at the hands of other students on campus. Please help raise awareness and empower our students to do something about it when they see it by presenting the activity attached to this e-mail.

Advisor Agenda – 12<sup>th</sup> Grade

1. Read Daily Bulletin

2. **OUS Visitation**

Representatives from the seven OUS schools (OSU, U of O, WOU, SOU, EOU, Oregon Institute of Technology, PSU) plus Linn-Benton Community College will make their annual visit to CV during **D block on Monday, October 20**. Students can sign-up in Advisor today and in the Career Center. Students must attend the entire block (general session, plus two break-out sessions) otherwise they will not be excused.

3. **Personal Finance Fair**

If you have students who missed the chance to sign up for sessions, please have them do so today. I need to start organizing students into sessions for October 15<sup>th</sup> so could you please have the forms back to me by Tuesday? Thanks.

4. **Harassment Discussion**

This school year has started with a rash of harassment complaints to the administration. Mrs. Harder, Ms. Linhares, and Mrs. Stroud have all heard from students who feel they have suffered harassment at the hands of other students on campus. Please help raise awareness and empower our students to do something about it when they see it by presenting the activity attached to this e-mail.
