Student Information:

The wrestling season is upon us, and the first day of practice is next Monday, November 9. If you are planning on wrestling this season, the pre-season meeting is scheduled for 7 p.m. tonight in the CV library. Parents as well as students are expected to attend. Come out and meet coach Scott Dorn.

Winter Clothing Drive (through December 7): Community Outreach's transitional housing program helps low-income, homeless men, women, and children become productive members of our society. To help them be adequately prepared for the winter months, CV leadership will collect hats, mittens, blankets, scarves, jackets, and other warm necessities through the month of November. There will be boxes in each advisor class. We need your help in bringing in any old or new items that you can. There will be pizzas awarded to the advisor class that brings in the most items. If you are lucky enough to have a roof over your head this winter, do what you can to help others stay warm, too.

Info meeting about 2010 Summer Program in Spain: Students who are currently taking Spanish II or higher will have the opportunity to join a homestay study program in Spain next summer! The program will be based in Madrid, the vibrant capital of Spain. Every weekday morning, the students will start their day with Spanish language classes at a local cooperative school. In the afternoon, they will enjoy activities and community service projects designed to deepen their insight into the Spanish culture, let them try out their Spanish outside the classroom, and meet Spanish teens. Evenings and weekends are free time to spend with their Spanish host families. On November 4, a representative of ANDEO International Homestays, the nonprofit organization coordinating the program, will come to Corvallis High School to present the programs and answer questions. Students and parents who are interested in this international education opportunity are welcome to join the meeting at 5:30 p.m. in room 220. *This is not a 509J School District sponsored activity.*
