Parent Perceptions for the College Application Process

As part of the college application process, your counselor will be writing a letter of recommendation for your son or daughter. We invite you to help in that process by sharing your insights about your child's challenges and personal growth. Filling out this questionnaire is optional. You may write on any or all of the questions, using this form or a separate page. Please either mail/email your comments directly to the counseling office or deliver via your student.
