

It is necessary for you to complete this form even if you do not plan to attend Crescent Valley next year. Then, if you have a change of plans, you will still have a schedule when school starts in September. If you are not here next year, your classes will be available for a new student. If you do not plan to be at CV next year, please check here.
 If not CV, what school do you plan to attend next year?

- Our schedule is built to meet the needs of your pre-registration choices. The courses taught and sections offered are decided by your course requests! Choose your classes wisely. This is your only opportunity to request classes.
 - Please select 7 credits.** If you choose fewer than 7 credits, you may not be able to add credits later. (See item # 1 above.)
 - Alternates:** Alternates must be listed. Do **NOT** list an alternate twice. Do **NOT** list a first choice selection as an alternate. (*See statement at bottom.)
- Check this box if you have special requests or unique circumstances and explain them on the back of this form.

Course Category	First Choice Course Name	Credits	Alternate Course Name
English – select one <ul style="list-style-type: none"> 4 English credits required for graduation and 4-year college admission <p>➤ Honors International Literature and Honors International Studies must be selected together</p>	<input type="checkbox"/> Read 180 / + Intl Short Story & Mythology (1 elective credit / 1 English credit) <input type="checkbox"/> + Intl Short Stories & Mythology (1 credit) <input type="checkbox"/> + International Literature (1 credit) <input type="checkbox"/> + Honors International Literature (1 credit) + college prep Teacher recommendation & initials: _____	write in credits	ALTERNATE NOT REQUIRED
Social Studies – select one <ul style="list-style-type: none"> 1 global studies credit required for graduation 6 social studies credits required for 4-year college admission <p>➤ Honors International Studies and Honors Intl Literature must be selected together</p>	<input type="checkbox"/> World Geography (1 credit) <input type="checkbox"/> +International Studies (1 credit) <input type="checkbox"/> +Honors International Studies (1 credit) Teacher recommendation & initials: _____	write in credits	ALTERNATE NOT REQUIRED
Mathematics (have you passed the previous course with Cs or better?) <ul style="list-style-type: none"> 3 credits required for graduation Algebra 2 or higher required for 4-yr colleges 	write in course name Teacher approval required _____	write in credits	ALTERNATE NOT REQUIRED
Science (have you met the prerequisite?) <ul style="list-style-type: none"> 3 credits required for graduation 2 credits college prep. science required for 4-year college admission 	write in course name Teacher approval for honors or AP _____	write in credits	Honors/AP/upper level, alternate req. Teacher approval for honors or AP _____
PE Elective (2 nd PE course must be completed before the end of senior year)	write in course name	write in credits	alternate required
Health (Health 1 required)	Health 1	.5	ALTERNATE NOT REQUIRED
World Language (have you passed the previous course with Cs or better?) <ul style="list-style-type: none"> Not required for graduation. Second year or higher required for 4-year college admission 	write in course name	write in credits	level 4 & above, alternate required
Elective	write in course name	write in credits	LIST ELECTIVE ALTERNATES BELOW (REQUIRED)
Elective	write in course name	write in credits	1 st Alternate
Elective	write in course name	write in credits	2 nd Alternate
Elective	write in course name	write in credits	3 rd Alternate
Elective	write in course name	write in credits	4 th Alternate
Add total credits. Credits must not exceed 7. If fewer than 7 credits are selected, it may not be possible to add credits later. (See page 8 of the Course Selection Handbook for further information.)		add up credits	Double ups in English, math, science, social studies, & world language must be listed on the back as special requests. They will be scheduled as space is available, after all students have been placed.

The more alternates you list, the more likely it is that your schedule will be filled. Please do not list a first choice as an alternate. If it could not be scheduled as a first choice, it won't work as an alternate either. Alternates can only be used once; please do not list alternates twice. If one of your requested courses could not schedule, and an alternate could not be used to replace it, your schedule will not be complete. Should your schedule have missing a missing class or classes, you will need to add a class or classes using the schedule change request process available at registration in August.

We agree on these course selections and understand that students are held accountable for the courses selected at this time.
