Welcome to Beyond CHS Activity

This activity introduces you to Beyond CHS. There are many resources here that can help you during high school. You and your parents are welcome to check out materials and attend Beyond CHS activities. Completing this activity helps to fulfill the required Career Credit for graduation.

The following bold headings below correspond to the areas in Beyond CHS where you will find the information to fill in the blanks. **If you have questions, please ask!** When you have completed both sides of this sheet turn it into the School to Career Office to receive proper credit.

College Planning: Find the Book of Majors. Look up a “major” (area of study) that interests you. Find a college or university that offers this major and list it below.

Major	College Name	City and State
-------	--------------	----------------

Define the following degrees:

Bachelor’s Degree _____

Associate’s Degree _____

Technical Degree _____

What is *College Now* and how much does it cost?

Testing Information: Find a Beyond CHS Volunteer and answer the following questions:

List two reasons a junior should take the PSAT.

What level of math is recommended before taking the PSAT?

What are the two main college entrance exams (not the PSAT)?

What are AP Classes and AP Tests?

College Visits: Over fifty colleges and universities visit Beyond CHS each year. This is an excellent way to learn more about the colleges you are interested in attending to find out about entrance exams, minimum GPA requirements and college life.

How do I find out which colleges will be visiting Beyond CHS?

Scholarship and Financial Aid: Locate scholarship and financial aid information in Beyond CHS. Answer the following questions:

Name one scholarship that is being currently offered:

What are three things that can help you present yourself as a good candidate for a college scholarship?

Summer Programs and Exchange Programs: Find the area in Beyond CHS that gives information regarding summer and exchange programs and answer the following questions:

Name of one summer opportunity:

List a website for a Study Abroad or Exchange Program:

Military Information: Locate the area in Beyond CHS that offers opportunities with the armed forces. In additions to the brochures how do you find out when a certain branch visits Beyond CHS?

What else is out there? What are at least two opportunities for a student to pursue other than college, working or the armed forces after high school?

What is the CHS List serve?

Exploring the CIS- Career Information System: Log onto the computer using your student ID and password. Click on Internet Explorer.

Type in the CIS website address. **http://oregoncis.uoregon.edu/webcis**
