- 3:50-4:00 **Tech Mini-Grant selections** – Herky, thank you for your Excel spreadsheet. Notification was sent out last Thursday. Many recipients have sent thank-yous to Duane. Contact the recipients within the next week:  
Duane – Adams and Mt. View  
Karen – Cheldelin and Harding  
Herky – Dow (music) and Jefferson  
Brenda – Franklin and Lincoln  
Becky – SPED  
Rosemary – Hoover  
CHS - ?  
CV - ?
- 4:00-4:10 **Proposed budget reductions** – Options for budget cuts were presented at last night's board meeting. The three levels of reductions related to technology are:  
3.6 million – no technology related cuts  
5.9 million - postpone computer upgrades, reduce .3 FTE tech position as part of 5-yr. plan, reduce non-staff expenses by 10% (on-line programs, travel, mini-grants, staff development, etc.)  
8.2 million – no further reductions
- 4:10-4:50 **Technology Plan Revisions**
- Review and provide input to the Tech Plan proposed goals, accomplishments, and action plan.
- Additional district technology accomplishments:
- Garfield has before & after school student access to computers using Orchard software
  - Interwrite boards used by students
  - Spanish version of Encarta installed at Garfield
  - Upgraded SIRSI

Committee will meet in February to revise plan depending on budget

4:50-5:00 **Technology Project Updates/wrap-up/next steps**

- Technology Services' move - move completed
- ESD Applications – completing implementation of new student information system – still need to implement new business software and Special Education software (August 2009)
- Autodialer – used when high school students have unexcused absences - in process of hooking up autodialer to new phone system
- New computers – schools receiving new computers will have them delivered and setup after computers are imaged

**Future agenda items**

Next meeting: **Tuesday, February 24, 2009, WVC**
