Corvallis School District 509J Student Network Account Agreement Form

Student Name _____ Grade _____

School: _____

Parent or Guardian Section

I have read the District's Student Network Use Handbook (part of the Student/Parent Handbook), online at

http://www.csd509j.net/district_information/publications/sp_handbook.pdf

The Student Network Use Handbook is summarized on the back of this form, also. I hereby release the district, its personnel, and any institutions with which it is affiliated, from any and all claims and damages of any nature arising from my child's use of, or inability to use, the District system, including, but not limited to, claims that may arise from the unauthorized use of the system to purchase products or services. I understand that I can be held liable for damages caused by my child's intentional misuse of the system.

I will instruct my child regarding restrictions against accessing material that are in addition to the restrictions set forth in the Student Network Use Handbook. I will also emphasize to my child the importance of following the rules for personal safety.

I give permission for my child to access only those portions of the Network that are approved by the Corvallis School District, and to use personal electronic devices only as approved by the District.

Summary of Student Network Use Handbook

Full version available at: http://www.csd509j.net/district_information/publications/sp_handbook.pdf

Educational Purpose

The school district limits your use of the electronic system to educational purposes, which includes classroom activities and limited personal research. You may not use the system for commercial purposes or for political lobbying.

Network Services

Intranet Service: You may only use certain approved district drives and can only store school work on those drives.

Internet Services: The district is required by the federal government to have an Internet filter, which limits access to inappropriate sites. You are not allowed to find sites that let you to go around the filter, and may use the Internet only for educational purposes and limited personal research.

Student Internet Access

Permission: You will not use the system until you and your parents have reviewed and signed the Student Network Account Agreement form. Your parents can withdraw approval at any time by filling out the Student Network Account Denial form and placing it on file at your school.

Unacceptable Uses

Personal Safety: You will not enter personal information about yourself or another person on the Internet, or arrange to meet someone you have met on the Internet without your parent's approval.

Illegal Activities: You will not try to gain unauthorized access to the Network. You will not use another person's account, try to disrupt the district system by any means, including viruses, or perform other illegal acts on the system, like setting up drug sales or purchasing alcohol, gang activities, or threatening someone.

System Security: You will not share your password or account with others.

Inappropriate Language: You will not use inappropriate language on any part of the system, including threatening, disrespectful, false or harassing words or pictures.

Respect for Privacy: You will not use the system to forward private information about another person without their permission.

Respect Resource Limits: You will use the system only for educational purposes or limited personal research and not download files without your teacher's permission.

Plagiarism and Copyright Infringement: You will not take the ideas or writings of others and present them as if they were yours. You will not reproduce a work that is protected by a copyright.

Inappropriate Access to Material: You will not look at material that is pornographic, recommends acts that are dangerous or against the law, or encourages discrimination towards others. You will also not access material that the Internet filter blocks, unless approved by a district staff member. You will follow your parent's wishes about other material they do not want you to look at.

Personal Electronic Devices: In middle schools, you may not turn on or have visible any iPods, cell phones, hand-held games, and other such devices, unless given permission. In high schools, these may be used only during your breaks, unless given permission. You shall not disturb any educational program or activity, use these items in a dishonest way, or disclose private information about another person

Your Rights

Free Speech: The school district may restrict your speech for educational purposes, but not because of your opinions.

Search and Seizure: The district may search your files if there is a reasonable suspicion that you have violated this policy, district student conduct regulations, or the law.

Due Process: The district may cooperate with legal officials in any investigation of illegal system activities, will give you notice and opportunity to be heard, and follow district student conduct regulations. You may have your account access restricted.

Limitation of Liability

The district will not be responsible for any damage you may suffer when using the system, or for any money you may owe as a result of using the system without permission. Your parents will be responsible for any harm you have deliberately made to the system.
