

PRESS RELEASE – Corvallis School District 509J

11/10/03

Board convenes equity committee

A district committee reviewing equity issues will meet at 2:30 p.m. Thursday, November 13, at the district office board room, 1555 SW 35th St.

The committee of parents, school administrators, board members and district staff will meet through January to investigate concerns about the educational impact of the district's open enrollment and transfer policies and practices. The committee also will review boundary changes made two years ago as a result of school closures and consolidations. The committee will make recommendations to the superintendent, and is expected to complete its work in January.

For more information, call 766-4704.
