

# PTA Fundraising

*It's about quality of Education  
for our kids*

Parents help teachers and staff to provide children with the best opportunities, and most comfortable environment for learning. Some of the fundraising options are directed at specific funds and others are general and allow us to fund unexpected projects like the additions to our playground or more regular expenses like supplying playground equipment or financing Science Night. Here is a list of our fundraisers. PTA also accepts direct donations.

- Jog-a-thon
- Prepaid School Supplies
- SCRIP
- Magazine Sale
- Dine-Out Nights
- eScrip, schoolpop
- Box Tops
- Ink-jet Cartridges Recycling

## Seasonal Fundraisers

### Jog-a-thon is most fun.

In early fall all grades take off to the Corvallis High School track and run for about 30-40 minutes depending on grade. Each round is recorded and will collect a pledge amount pledged by the sponsors. In the past the kids run about 8-10 rounds on the average. The proceeds are spent on Franklin's technology needs.

Chairs - Ann Zukowski ([annzukoski@comcast.net](mailto:annzukoski@comcast.net)),  
Jeannette Cunningham ([jeannette.cunningham@corvallis.k12.or.us](mailto:jeannette.cunningham@corvallis.k12.or.us))

### Prepaid School Supplies is helpful.

You can sign up for this service at the end of the school year, and your child will be provided with all necessary school supplies right when the school starts. No running around, no wondering what scissors are the right kind, or what shade of pink should be the eraser. Just pay a set fee and you are free to enjoy your summer.

Chair - open, past chair Rebecca Ferber

## All-Year-Round Fundraisers

### SCRIP is the biggest.

It also does not cost you anything and that is why we would like to emphasize it more and more. SCRIP comes as prepaid giftcards from various stores and companies who donate varying percentage from sales to our school. However if you shop at COOP you do not need a giftcard. It is sufficient to mention Franklin when they ask you for your owner number. Albertsons also has its own program.

VP - Ina Hecker ([INARIC@aol.com](mailto:INARIC@aol.com))

### Magazine Sale is very efficient.

We get around 40% or 50 % of your orders. This way we can help the school to send up to four teachers to CoreKnowledge Conference for training every year. All the proceeds generated by 7th graders are added to their personal accounts for the Washington DC trip. To order please visit [www.gsp.com](http://www.gsp.com). Franklin's id # is 425-045847. Paper orders are also available in the office.

### Dine-Out Nights is satisfying.

Look for announcement about when and where you can dine and the restaurants will donate a given percentage of proceeds to Franklin.

Chair - Christy Allada ([rameshallada@comcast.net](mailto:rameshallada@comcast.net))

### eScrip, schoolpop is easy.

Just visit the websites [www.escrip.com](http://www.escrip.com) (Franklin's id # is 8562570) and [www.schoolpop.com](http://www.schoolpop.com). The participating stores send us varying percentage of your purchases. As with SCRIP it does not cost you a penny.

are needed to see this picture.

Chair - no chair needed; Didn't we say it's easy?

### Box Tops is playfull.

Clip all box tops from packages off many products like Betty Crocker, Huggies, Pilsburry, Kleenex, Pull-ups etc. Please visit the website [www.boxtops4education.com](http://www.boxtops4education.com) or look at the list for all current products. Drop clips in the plastic box in the volunteer room. We will send it off.

### Ink-jet Cartridges Recycling is for the environment.

Bring any used cartridges you want to dispose and we do it for you. Rapid Refill Ink picks up the load and gives us money for it, too.
