

HPTO MEETING MINUTES

September 15, 2009

Attending: Tad A, Jen A, Justin B, Elise B, Shannon B, Tish B, Terry C, Amy C, Nanette D, Josh F, Sara H, Chelsea H, Marganne H, Jane H, Denise L, Rebecca S, Radhika S, Bryan T, Laura W.

Welcome Board Members: President - Melinda Lind., President Elect – Terry Comer, Treasurer – Rebecca Sauret, Secretary – Karen Humphreys.

May minutes: Read and approved with two changes. Profit from spring auction was \$6056. Profit from spring carnival was \$3805.

Treasurer's Report

- Read and approved.
- Noted: Auction budget was increased \$2000 from last year because we will be adding an official silent auction.
- Discussion on book fair. We need to find out if we can continue to take the profit in cash as opposed to product.
- Tupperware sale was not successful. We will not have another one this year.
- Motion to adopt budget approved.

Upcoming events/fundraisers

- Sock Hop: Friday, September 24. Most volunteer positions filled.
- Fun Run: October 8. Paperwork goes home October 2.
- Magic Show: October 29. This is a sponsored event through the Corvallis Schools Foundation. They are asking each school to buy a table for \$50. Bottled water will be given free to sell and additional baked goods or school items (e.g. script) can be sold at the table. We will receive two tickets and a back stage pass that could be raffled off if we choose. There is still some uncertainty as to how the profits from the show will be disbursed. All schools are to receive some of it. We agreed to purchase a table and provide two tickets to any volunteer who would like to go to the show and work at the table.
- Spirit Wear: Will be having monthly Spirit Days to encourage the wearing of spirit wear. In addition, we will have an all school picture with spirit wear worn as a new fundraiser.
- Box Tops: Chelsea H will coordinate.
- E-Scrip: I-Alt is a better deal. Need more advertisement. We still need a coordinator for this. Chelsea will fill position for now.
- Scrip: Laura W. will coordinate.
Marcy will attend a class for a website linked incentive program.

Safe Routes to School

Gigi gave a report on the Safe Routes to School Grant with the Hoover model school (Evaluate, Educate, Encourage) and the walk and bike to school success. Additional discussion will take place at the Wellness meeting on September 24.

Principal's Report

- Reduced busing from three buses to one.
- Discussion on inclement weather and the parking lot.
Aspen intersection is a hazard. Bryan will talk to the city.
- Enrollment: 407
- School wide focus on writing.
Goal is for 90% of students to meet the writing assessment standards (Now 50%)

Next Meeting Tuesday, October 13, 2009
