

Mountain View Elementary School

344 NE Granger
Corvallis, Oregon 97330

We are deeply appreciative of our parent and community support for education. Once again, we have put the majority of our general fund allocation into personnel and need supplies and materials. If you are interested and able to donate items or cash, they will go to the specific program, department or staff member that you designate. Foundation donations are tax deductible and forwarded 100% to your selected recipient. The following represents general and specific department requests.

General Items

3 hole punches
4 x 6 blank note cards
