

Outdoor School Scholarship Information

Outdoor School is a program for all sixth grade students in the Corvallis School District. The program is fee-based since no District funds are available to support the program. However, the Outdoor School staff has acquired some additional funding through grants and private donations to keep the tuition cost as low as possible. Thanks to these funding efforts, a limited number of scholarships are also available.

If you apply for a full or partial scholarship for your child to attend Outdoor School, please note that priority will be given to students who are on the free or reduced lunch program. (As an option to a single payment for tuition, you may also arrange to pay through installments. Please see your child's school office staff for more details.)

You must complete this application form and return it to the school office in order to receive a scholarship for Outdoor School tuition. All information will be kept confidential. Once the applications are processed, the Outdoor School Coordinator will send you a letter regarding the status of your request. **Applications are due by September 28th.**
