School Goals

Our mission is for all children to be lifelong learners who are compassionate and caring members of our world community. We honor the unique abilities of every child by creating challenging and realistic learning opportunities for all.

Focusing on Multi-tiered Systems of Support ensures that students in need of reading and math intervention get the help that they need.

Staff members are dedicated to providing an educational experience in support of district goals that is excellent, equitable, and relevant and engaging. We are proud of our inclusive, engaging, and fun school culture.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

Our goal is to ensure that every student, staff, and community member is a valued part of our school community. Student voice and ownership is important in our school.

We teach behavioral expectations with positive behavior supports (PBIS) schoolwide, with a focus on safety, respect, and responsibility. We celebrate good choices at monthly assemblies and weekly Alligator Tag drawings. We also feature student learning, activities, and diversity in our weekly Monday Morning Movie.
