School Goals

Franklin K-8 School is an inclusive Core Knowledge learning community that

- Promotes responsible citizenship
- Encourages critical thinking, creativity, and a passion for learning

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

Every student, staff member, and parent is valued in our school community. We prioritize student voice and ownership in our classes. We implement PBIS schoolwide, with a focus on respect, responsibility, and safety. We teach character traits and celebrate good choices at monthly assemblies and through weekly Phoenix High Five drawings and group challenges. Multi-tiered Systems of Support ensure that students who are in need of intervention get the help that they need, and core knowledge instruction provides background information that supports students in their academic and cultural literacy.
