C1: School name should inspire children and the community

C2: Name reflects social justice commitment to intentionally disrupting racism, genderism, ableism & other socially unjust biases (person, place, thing) Additional weight in recommendation should be given to figures who valued and worked for social justice in their lives

C3: Women who have made inspirational contributions during their lives should be given additional weight in recommendations to remedy the lack of representation among current school names

C4: At least one school in Corvallis should have a name that honors the local indigenous people (person, place, thing)

C5: At least one school in Corvallis should have a name that honors the community's connection to place
