*<10 students or data unavailable

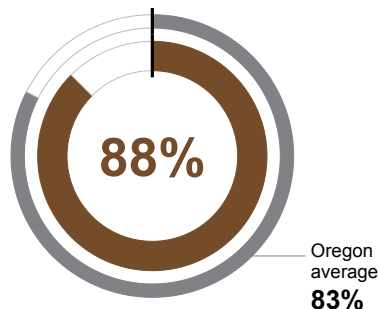

Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

Academic Success

ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2016-17 graduating in 2019-20.

School Environment

REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

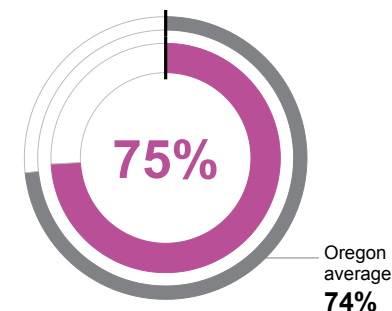

For 2020-21 Regular Attenders data please visit:

www.oregon.gov/ode/schools-and-districts/reportcards/reportcards/Pages/Regular-Attenders-2021.aspx

Academic Progress

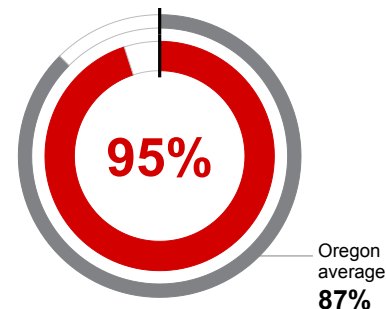

ON-TRACK TO GRADUATE

Students earning one-quarter of graduation credits in their 9th grade year.

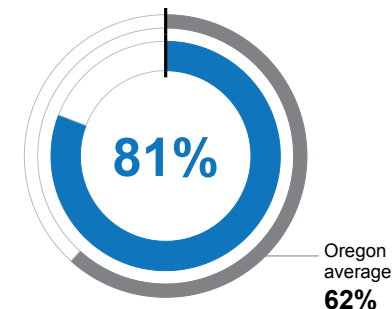

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years.

COLLEGE GOING

Students enrolling in a two or four year college within 16 months of completing high school in 2017-18. Data from the National Student Clearinghouse.

School Goals

This school year we will continue with an 8-period bell schedule. In ninth grade, the 8-period schedule provides a "Freshman Success" class to help students stay on track. For sophomores and juniors, the 8-period schedule is an opportunity for students in an intervention class to also take their desired electives. Sophomores and juniors will also meet once a week in a graduation prep class to receive support with academic needs and career education requirements. For seniors, the 8-period schedule provides a senior seminar class that supports completing career education requirements and preparation for life after graduation.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

CVHS is focused on building a positive school culture where every student, staff member, and parent feels included and valued. We will continue our "Paths 2 the Future" class that includes and supports students with disabilities in school and opportunities beyond school. We will also continue our "Raider Academic Prep" class with 9th and 10th grade students who need to make a positive connection with school. "Link Crew" connects our incoming freshmen with the school community.

- Robotics
- School club sports – Cross-country and downhill skiing, Ultimate Frisbee, Lacrosse, Rock climbing, Equestrian
- Performing arts
- Numerous student clubs

PARENT & COMMUNITY ENGAGEMENT

We are improving and increasing our community partnerships with local businesses. We have also increased our partnerships with local colleges through programs, grants and student teachers. We have many volunteers giving their time and resources to our school community. Our CTE programs have numerous volunteers assisting our students with real world opportunities. Parents volunteer throughout our school in many different capacities. Our parent organization meets with school administration two times a month. We are also increasing opportunities for our students to volunteer in our community including elementary and middle schools.
