

FALL 2020-21 Student Enrollment and Demographics

Revised: October 2020

This document contains data regarding student enrollment and demographics as of October 1, 2020. The data source utilized was the district’s submission to the 2020-21 First Period Cumulative ADM collection required by ODE. Data contained herein has been suppressed in alignment with ODE’s At-A-Glance Profiles made available to the public and is therefore appropriate for distribution to any interested individual.

Questions regarding this data or requests for further related information may be made to Jennifer Schroeder, Business Specialist, jennifer.schroeder@corvallis.k12.or.us, 541-757-5874.

Student Enrollment

The count of students enrolled in a school. The basis is the attending school as captured in 2020-21 First Period Cumulative ADM collection. Students attending programs offered through Harding Center and College Hill, including those enrolled for college coursework, are counted as enrolled/attending their home high school; students attending Corvallis Online and Special Education students meeting specific criteria are reported below as “District-Level Programs.”

Attending School	October 1, 2020 Enrollment
Adams Elementary	353
