### School Goals

CHS aims to improve the percentage of 9th graders finishing the year on-track to graduate, including a credit in math and language arts.

CHS will continue to focus on our on-time graduation rate with particular emphasis on SPED and ELL students.

The activities to support these goals include: targeted intervention classes, supported Algebra 1 and Geometry, Sheltered ELA and History, team taught American Literature classes, weekly advisor classes, Summer School, AVID, after-school tutoring, and a dedicated Student Success Coach.

### State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

### Safe & Welcoming Environment

CHS has a wide range of services, resources, and extra-curricular activities that create a safe and welcoming environment, including:

- Bilingual Family Advocates
- Comprehensive Counseling Center, including a school-based therapist
- Three Behavior Support Specialists and a Dean of Students
- Standard Safety Response Protocol
