

Share Your Transportation Safety Concerns on Our Interactive Map!

Benton County and the City of Corvallis are working together to improve transportation safety and we need your help to identify unsafe locations.

Drop a pin to share your concerns!

What we're looking for:

- **Intersections or crossings** where you've experienced near misses.
- **Areas with poor visibility**, unsafe speeds, or confusing traffic patterns.
- **Any location** where you've felt unsafe while traveling—whether you're walking, biking, driving, rolling, or using transit.

While we can't address every location flagged, your feedback ensures we focus on the areas where changes can make the greatest impact.
