

OSU SUMMER TRANSPORTATION INSTITUTE

August 4-8, 2025

9AM – 4PM (Monday-Thursday)

9 AM – 2:30 PM (Friday)

Have you ever wondered about transportation in your city? Have you ever thought about how technology, such as connected and autonomous vehicles, impact travel? As transportation systems grow larger and more complex, big changes are happening in how we plan, design, construct, operate, and maintain them. Join us at Oregon State University on August 4-8 to explore the infrastructure of the future.

FIELD TRIPS

- Learn about evacuation planning! Tour OSU's Marine Studies building in Newport.
- Take a tour of the Eugene airport.

HANDS-ON ACTIVITIES

- Local bike and/or walking tour
- Opportunity to fly drones
- Design sessions to form solutions to real-world problems
- Evacuation modeling activity

ELIBILITY & REGISTRATION

- Open to Oregon students entering grades 9-12 in the Fall of 2025
- FREE to participating students thanks to generous support from the Federal Highway Administration and ODOT
- Acceptance into the program is based on the application
- Registration questions? Contact STEM.academy@oregonstate.edu or (541) 737-8139
- Lunch provided daily
