## Johnathan, 16 - Male from Germany-

"I am an open-minded, friendly, and very athletic person. My friends appreciate my helpfulness and enjoy our good conversations. I've played soccer my whole life in a soccer team and am also part of a climbing group. Weekly I volunteer at church as a youth group leader. Another passion of mine is building things from wood. I aspire to become a civil engineer. I also enjoy spending time with my family and our dog, traveling together, having game nights, and staying active as a group."

## Adriana- 16- Female from Spain

"My name is Adriana. I am an active person, I really like to exercise, I am also extroverted and sociable. I am quite empathetic with others and I usually put myself in other people's shoes. I am also very happy and I like to make people laugh. And lastly, I am quite organized, responsible and hard-working. One of my favorite activities is watching football both on television and in the stadium. I also really like to travel and see new places. I like meeting my friends and cooking."

## Mauro- 16- Male from Italy

"Dear future host family, at home, I was raised with an education that treated everyone equally; everyone had to do something, and since I grew up in a house with three brothers, I know how to share my things. I know how to listen, I consider myself a great friend to have around during moments of sadness. I think I am very extroverted, I make new friends quickly, and I think this is very important for the trip I will be taking. I like to hang out with my friends, and I enjoy playing soccer and I like to ski!"
