

CORVALLIS COUNCIL PTA INFORMATIONAL MEETING

You're invited to an informational meeting of the new Corvallis Council PTA!

Monday, May 18 2026

6:00-7:00pm at Corvallis Public Library, 645 NW Monroe Ave. Corvallis, OR 97330

7:30-8:30pm via Zoom. See QR code to register

Both modalities will have the same agenda:

- Connect current and active PTA members at individual schools with others within the district
- Discuss the development of an advocacy group to share news and information regarding educational policies, both local and statewide.
- Share experiences and resources across schools.
- Assist in strengthening CSD PTA groups
- Opportunities for involvement
- And much more!

A citywide PTA aims to help parents and caregivers connect with others across the district. Currently, CSD adults spend a lot of time and energy looking for tutors, supplemental curricula, music and art teachers, and extramural athletic activities for their students, and every family must build new information and mutual aid networks from scratch. **A citywide PTA simplifies this process, ensuring that parents and caregivers of CSD K-12 students have a stable, cross-district resource for educational support, advocacy, and enrichment.**
