

Parents for Education Plus presents *Astronomy for Kids*

Saturday, October 19, 2024 • Franklin K-8 School • 750 Northwest 18th Street, Corvallis

The educational staff of the Oregon Museum of Science and Industry (OMSI) will be coming to Corvallis with their portable, museum-quality planetarium that brings the night sky inside, with live presentations about stars! This event is brought to you **free of charge** by Parents for Education Plus (PE+), a volunteer-run, non-profit organization in Corvallis. Learn more about us at ParentsForEducationPlus.org

Session One: Grades K-2nd, check-in begins at 9am

- *Portable Planetarium, 9:20-10:20*
- *Where in the Worlds, 10:40-11:40*

Session Two: Grades 3rd-6th, check-in begins at noon

- *Portable Planetarium, 12:30-1:30*
- *Where in the Worlds, 1:45-2:45*

Registration: Online registration opens September 20th at 9am. See ParentsForEducationPlus.org for a link to *Eventbrite.com*. Space is limited to first come, first served. If you have questions, please contact Nathan Gibson at parents4educationplus@gmail.com.

Class Helpers: It's fun to be a parent helper, please email us if you would like to help. *OMSI coordinators ask that only those parents who are registered as helpers attend the classes as space is limited.*

To Join PE+: You can sign up online during the event registration or at the event to receive future program information and discounts. Annual dues are \$10.00 any time during the year.

Please Be Prompt, check in starts at 9am or noon!

Class Description

Where in the Worlds

Climb aboard the Spaceship OMSI and discover the fascinating planets and moons that make up our solar system. Young astronomers learn the solar system orbits the sun, make their own meteorite impact craters, and compare the sizes of the planets from the tiniest terrestrial worlds to the most gargantuan gas giants.

A sincere thanks to our partners and sponsors.
