

COVID-19 Student Health Screening

Updated November 24, 2020

Primary Symptoms

- Cough
- Temperature of 100.4° or greater
- Chills
- Shortness of breath
- Difficulty breathing
- New loss of taste or smell

Other Symptoms

- Fatigue
- Muscle or body aches
- Headache
- Sore throat
- Nasal congestion or runny nose
- Nausea or vomiting
- Diarrhea

IMPORTANT: *If your student has traveled outside the state or country, it is recommended to immediately self-quarantine for 14 days prior to returning to school.*

Please review all questions with your child.

- Have one or more Primary symptoms?
- Have two or more Other symptoms?
- No symptoms, but have a positive COVID-19 test?
- No symptoms, but have had close contact with someone (within 6 feet for a cumulative of 15 minutes or more, over a 24 hour period) with a confirmed or presumptive case of COVID-19?

If your child is not feeling well, we hope they feel better soon!

Here are instructions for what to do next

1

STAY HOME

If your child is not already at home, avoid contact with others and go straight home immediately.

Already at school?

Students will stay in Isolation space until parent/guardian are able to pick them up. For the health and safety of others, please have a plan for picking your child up right away.

If in doubt, keep your child home until you have spoken with someone from the CSD Nursing Department.

2

CALL

Call your child's school.

You will be contacted by the CSD Nursing Department to discuss how long your child needs to quarantine and to determine if household members should also quarantine.

If your child or someone in your household has a positive test, you may also be contacted by your local health department for contact tracing purposes.

3

CONTACT

If your child has had close contact with someone with a confirmed or presumptive case or your child displays symptoms of COVID-19, you are encouraged to contact your primary care physician.

If you do not have a primary care provider, please contact the Benton County COVID phone bank at 541-766-6120.
