

# STAFF Health Screening

*Revised August 25, 2021*

## **Safety iPass Email or App**

Health screening email  
sent to staff daily.  
(Monday - Friday)

Optional: Choose to  
receive notification as a  
TEXT or download free  
CrisisGo App for iOS or  
Android.

## **Health Screening**

Staff member  
completes online health  
screening with iPass to  
provide health status of  
staff who are reporting  
to work that day.

## **Check in at Building**

Upon entry, staff will  
scan a digital badge  
at a designated  
check-in location.  
(Varies by building.)

## **Monitoring**

School data team provides  
real-time health data  
monitoring for district  
Health and Safety Team.

## **Tracing**

Data sent to Health & Safety  
Team for immediate  
response and timely  
notification to potentially  
exposed individuals.
