LEARN THE WILD WAY... with a new nature based after-school program for Jefferson Elementary School students **Grades K-5**.

Geology in the Garden! Spring session runs **Mondays and Wednesdays, April 15- June 5 at Jefferson Elementary from 2:37-5:00 p.m.**

- Students will handle and learn about geology in the garden, life cycles and restore animal habitat along Dixon Creek through hands-on activities!
- Participants are picked up for programming at 2:37p.m. outside the school office and brought to the cafeteria/gym by our *WILD* Naturalists.
- Participants are **provided a healthy snack!**
- WILD delivers both hands-on lessons outdoors and STEAM learning lessons inside!

WILD has a *sliding scale* registration fee of \$195.00 per six-week session, but the program is **free** to students that receive free/reduced lunch. If the fee is a barrier of service, please contact Parks & Recreation Office to register at **541-766-6918**.

Thank you for supporting Corvallis Parks & Recreation Programming!

Transportation is NOT included. Participants **MUST** be picked up in the cafeteria/gym or outside the school at **5:00 p.m.** We do **not** hold programming on non-school days or inclement weather days.

The Corvallis School District does not necessarily sponsor this organization or its activities. The District assumes no liability for its contents or events arising out of this distribution.
