

# Learn, Share and Grow with Cultural Exchange!

International Experience USA (iE-USA) is a non-profit high school exchange student organization looking to help you hand select one of our international students to be part of your family for the upcoming school year or semester.

## Oskar from Germany - 17 (male)

“I'm a friendly and active person. I always love new experiences! My motivation to do a year abroad is not only to improve my English, but also to experience another culture with all the traditions of family life, school, music, food, landscape and fashion. Currently in my spare time I like to do sports and meet friends. My favorite activities are rock climbing, biking and canoeing. I can't wait to meet you!”
